Career Highlights:

- Production Sound Mixer on multi award-winning, high budget US productions including
- Season 3 of Sky Atlantic The Tunnel, Homeland Season 6, The History Channel's "The Bible" (production Emmy nominated for sound) and "AD" for NBC in addition to BAFTA award winning dramas for the BBC.
- Invited to sit on judging panel for BAFTA twice widely experienced, excellent reputation and notable expertise in television sound production; acting as a speaker at numerous industry events including on behalf of AMPS / Women in Film & Television.
- Working alongside leading figures in US drama and primetime television such as multi Emmy award-winner Mark Burnett, bringing to high end US productions the flexibility, accuracy and high level of skill honed during a successful career in British continuing drama.

Career History:

Position: Freelance Production Sound Mixer

- Multi- genre experience includes Emmy award-nominated US dramas, BAFTA award-winning BBC continuing dramas, PBS documentaries and specials, and entertainment.
- Consults with directors, production teams and artists over creative direction and applies considerable technical expertise to achieve desired optimal results in sound quality.
- Effectively manages all available resources, drawing on extensive list of industry contacts to assemble high performing sound teams, providing own technical equipment.
- Builds strong client relationships by maintaining close communication with all production stakeholders, ensuring a meticulous attention to detail and employing best practice.
- Proactively seeks to reduce production costs where possible whilst delivering the highest broadcast standards.
- Effectively anticipates potential sound issues, explaining implications to cast and crew to secure engagement, and providing solutions based on years of experience.

Headline Production Credits

- The Tunnel - Vengeance, Kudos productions for Sky Atlantic Executive Producers; Karen Wilson and Manda Levin. Directors Anders Engstrom and Gillies Banner
- Homeland Season 6, Fox Television. Executive Producers; Claire Danes, Alex Gansa, Lesli Linka Glatter
- The Bible (10 x 1 hr drama), Lightworkers Media for The History Channel; Executive Producers: Mark Burnett & Roma Downey; nominated for 3 Emmy Awards; successfully overcame significant challenges of filming in the Moroccan desert in extremes of temperature.
- A.D. The Bible Continues (8 x 1 hr drama), Lightworkers Media for NBC; Executive Producers: Mark Burnett & Roma Downey.
- MI High (Season 5: 13 x 30 mins action / adventure / family); Kudos Film & Television / BBC; overcame significant costume based challenges to produce optimal sound quality for an acclaimed family spy drama from the production company behind Spooks.
- Conquistadors (3 x 1 hr documentary), Mayavision International for PBS.
- Wonders of the African World (3 episodes), Wall to Wall Media for PBS.
- The Worst Witch (Season 1), CBBC.
- Holby City (continuing drama), BBC; regularly engaged as Production Sound Mixer over an 11 year period to work on one of the BBC's flagship continuing dramas; displaying the flexibility, fast work pace and exemplary problem solving skills required for this genre.

Recommendations:

“Apart from being a complete professional, Judi is a delight to have as a colleague. We worked together on a number of drama shows at the BBC. She’s an excellent recordist and her tracks were always spot on when it came to the sound mix. I recommend her thoroughly.” Robert Del Maestro, Television Drama Director.

“I worked with Judi on a number of occasions. She was reliable, incredibly personable, and one of those people you always wanted on the team.” Tony McHale, Executive Producer.

“Judi is brilliant. The quality of her work is always first class and, because she is a genuinely good person, she is a joy to have on the team.” Daikin Marsh, Television Drama Director.

“I’ve worked with Judi many times on British TV drama and she has always achieved outstanding results in frequently challenging conditions.” Sebastian Morrison, Editor.

“Thank you for the great work on the series. It’s been great having you on the team, we have appreciated your work ethic and professionalism.” Mark Burnett & Roma Downey.
